Hi Esther

Yes, he came about 1.30pm so I know for the future. Thank you. Unfortunately I had to cancel two cooking classes today as I was unable to cook the food. Is there any chance of a partial hall refund as I have to refund my customers and I had bought the ingredients.

Many thanks.

Kind Regards

Good evening Annette,

Apologies for the inconvenience.

There was an isolation valve on the gas supply pipe low near the floor that had been turned off.

I'm not sure who or why this was done.

I can get our handyman to show you where it is to ensure this doesn't happen again.

Kind Regards

I am in the Church Rooms and there is no gas supply coming through to enable me to put the oven on.

I have to cancel some of my classes now as I cannot cook the food.

Good Morning Annette,

I'm sorry to hear that things didn't go smoothly for your daughter.
Hopefully, they'll be home sooner rather than later.

Neither invoice 597 or 604 have been paid.
I hope that helps.

Kind Regards

Hi Esther

So sorry for not getting back to you. It all ended up very traumatically and both are still in hospital.

I have got into a bit of a mess with the invoices sorry and have so many different emails from the system. I have paid some invoices. Please could you check if I have paid invoices 604 and 597.

Many thanks.

Good Afternoon Annette,

Congratulations and our well wishes to you and your daughter. Hopefully, the induction goes well for her.
I can't see that the bookings for this weekend have been paid for.
Please can you provide evidence of the payments having been made?
I will then put your request forward to either Full council on the 21st May or the Finance Committee on 4th June.
Thank you

Kind Regards

Good morning

I just wanted to let you know that I am unable to use the kitchen on Friday 15th May, the Garth room and kitchen booked for Latch 2-4 on 16th May and the Garth room and kitchen all day on 17th May.

My daughter was due to give birth in 3 weeks but the baby's growth and blood supply is a concern and her fetal consultant has said she has to be induced and remain in hospital. As her birthing partner I have to attend with her.

Is there any chance of a partial refund as I am a regular hall user?

Many thanks

Kind Regards
