Foreword

We are pleased to present the Annual Remuneration Report for 2026–27 from the Democracy and Boundary Commission Cymru. This report outlines the determinations regarding pay, expenses, and benefits for members of principal councils, community and town councils, fire and rescue authorities, and national park authorities, effective from 1 April 2026. Recognising the service of elected representatives is vital, as this work supports the broader democratic framework in Wales.

Further details about the Commission can be found on our website [Democracy and Boundary Commission Cymru | DBCC](#).

This is our first report since assuming responsibility for this area, previously managed by the Independent Remuneration Panel for Wales. We extend our thanks to the Panel for their comprehensive framework and to the Welsh Government for their assistance during the transition.

The determinations for 2026–27 are set out in this report. We have developed these within the framework established by the Panel. Our attention now turns to preparing the next report, which will involve a thorough review of both the remuneration framework and the mechanisms used for annual adjustments, as required by the Welsh Government.

In accordance with the [Democracy and Boundary Commission Cymru etc. Act 2013](#), we are required to consider appropriate resettlement payments for councillors who lose their seats in elections and to advise the Welsh Government accordingly.

We will also evaluate the current remuneration structure for senior roles within principal councils and corporate joint committees to ensure it remains relevant and effective.

Additionally, we will review the index used for annual remuneration adjustments and reassess the workload of elected members to ensure fair compensation.

Throughout this process, we will engage with the Welsh Local Government Association and other stakeholders to inform our decisions.

Finally, I would like to thank the Commission’s secretariat for their valuable support in developing this report.

Karen Jones

Chair

Chapter 1. Introduction

1. The Commission has taken on the functions of the Independent Remuneration Panel for Wales (IRPW). We are mindful of the past work of the IRPW and thank them for their legacy report¹.
2. We plan to make substantive changes to the remuneration framework only once in each electoral cycle. The report prior to each local government election will give consideration to major changes to the framework, with those in between focusing on annual uprating. This means that this draft report for 2026-27 considers uprating amounts where appropriate but leaves the framework unchanged. The next report, for 2027-28, which we are required to publish by the end of February 2027, will update the framework for those members who will be elected at the May 2027 local elections.
3. The Welsh Government's remit letter for 2025–26 outlines several key objectives for the Commission regarding remuneration:
 - To assess the potential need for resettlement payments and support officials with briefing materials for any related regulatory considerations.
 - To revisit the Framework and Methodology for Remuneration of Senior Roles across Principal Councils and Corporate Joint Committees.
 - To examine the current benchmark linked to the Annual Survey of Hourly Earnings, alongside an evaluation of members' workloads.

Resettlement payments

4. The Welsh Government has asked us to consider what payments, if any, principal councils should make to councillors who stand for re-election but are unsuccessful. We have sought to balance the needs of elected members as they move away from being a councillor against the budgets of councils, taking account where appropriate of those receiving sums from senior roles within their council.
5. The Commission has determined that a resettlement payment scheme should be established. We have written to the Cabinet Secretary to ask if they are minded to draft regulations for this to be in place for the 2027 local elections. If they agree, we will then undertake a consultation on what a scheme should look like as part of our work for next year's report.

Senior roles

6. The Commission will be surveying authorities, their members and representative bodies to ascertain whether the current framework of remuneration for those with senior roles appropriately recognises the time commitment and responsibilities of those roles. We will include any determination to follow from this research in our annual report for 2027-28.

Community and town councils (CTC)

7. The IRPW had previously simplified the reporting requirements for CTCs to encourage members to accept allowances to which they are entitled, and work will continue to monitor the impact of this.

¹ Independent Remuneration Panel for Wales: [Legacy report | GOV.WALES](#)

8. The rate at which returns have been submitted to the Commission has been significantly lower than when the IRPW had responsibility for this area. Less than 50% of councils submitted their returns to us. 9% of councils published their returns on their websites, while not sending them on to us. We will discuss this with the representative bodies to explore what additional support we can offer to councils in fulfilling their responsibilities.

Corporate Joint Committees (CJC)

9. CJs are a relatively new type of body. Each of the four committees are made up of the leaders of the principal councils within its area and the chair of any national park authority that lies wholly or partly within its boundary. These leaders are in receipt of remuneration for their role within their respective bodies.
10. Each committee has established a number of sub-committees to deal with specialist areas and in one instance a Joint Overview and Scrutiny Committee. These are made up of councillors and co-opted members.
11. The Commission will consult on whether any additional remuneration is appropriate to reflect the additional time commitment and responsibilities relating to CJs, and include any determination in its 2027-28 annual report.

Co-opted and lay members

12. The IRPW last updated the remuneration of co-opted members of principal councils, national park authorities (NPA) and fire and rescue authorities (FRA) in its 2022 annual report² and included lay members of corporate joint committees (CJC) in its 2024 supplementary report³. The rates were linked to the public appointment rates paid by Welsh Government, which have not been updated in some years.
13. Welsh Government have begun a review of these rates and the Commission will consider the outcome of that review before making any determination in respect of co-opted and lay members of relevant authorities.

Link with the Annual Survey of Hours and Earnings (ASHE)

14. The Commission will consider for our next report whether it continues to be appropriate for remuneration to be linked with the Office for National Statistics data from the Welsh element of their Annual Survey of Hours and Earnings.

Engagement

15. We will continue to engage with the Welsh Local Government Association, One Voice Wales, the Society of Local Council Clerks, and the North & Mid Wales Association of Local Councils as the representative bodies across the local government family, as well as individual authorities, and consider their views in reaching our determinations, whilst continuing to take account of the impact of our decisions on the budgets of authorities.

Chapter 2. Methodology

21. The Commission is committed to making evidence based decisions in respect of remuneration.
22. This year we prepared an evidence and research paper to pull together the various sources of information that the Commission considered in making its draft Determinations. This provided a wide range of data, evidence, and contextual factors to inform the Commission's decision-making process in relation to its Determinations for the 2026-27 financial year. This included:
 - Data on average UK and Wales weekly earnings, including ASHE.
 - Public and private sector pay trends
 - Annual CPIH and CPI inflation rates
 - Benchmarks, including councillor remuneration in Scotland
 - Research on councillor workload
 - Views and attitudes to remuneration and diversity (Welsh Government)
 - Data collected on the take up of remuneration and benefits packages by councillors
 - Data on local authority finances
23. The full set of evidence and research considered will be published on our website.
24. We attended the WPGA Annual Conference 2025, and will continue to do so in future years, so that councillors and leaders can hear about the full range of the Commission's role, include remuneration, and discuss their views with us.
25. We also attended the Society of Local Council Clerks and One Voice Wales Joint Conference 2025 during the consultation period for our draft report, and spoke to them about trends in the claiming of allowances by members of community and town councils.
26. During the year we heard concerns about a few issues.
27. Leaders in some of the larger community and town councils felt that their role was deserving of greater remuneration than was currently offered. They thought that we might consider something more on a par with that paid to ordinary councillors in principal councils. We note this concern and will seek a more detailed view from the community and town council sector as part of our research for the 2027-28 report.
28. Co-opted and lay members of principal councils expressed a view that their remuneration has not been increased in some years, and that its value has been eroded as a result. We await the outcome of the Welsh Government review of public appointment rates so that we can consider what impact that should have for co-opted and lay members.
29. The Commission would like to thank all those that contributed to our deliberations either directly or through feedback on our draft report.

Chapter 3. Consultation on the Draft Annual Remuneration Report 2026-27

30. We published our draft report on 23 September 2025 for an eight-week consultation, which closed on 18 November 2025.
31. Stakeholders and the public were asked to provide their feedback on our proposed determinations. A total of 26 responses were received, all by email to remuneration@dbcc.gov.wales. The Commission would like to thank those who responded and acknowledges the low response rate. We will be reviewing our engagement with stakeholders as part of the wider work being undertaken for the next report.
32. The Commission considered the representations carefully before it formulated its final determinations. All representations are published on the Commission's website in line with our publication and redaction policy.
33. A number of responses expressed concern with our continued application of ONS data on median salaries in Wales, and the increase that has indicated for the final year of the local government electoral cycle. We recognise that concern and are committed to carrying out research on the range of measures available. We are retaining the link to ASHE for this report as we, and the Panel before us, committed to do for this cycle, but we will consult on the index to be used for increases across the next electoral cycle as part of the work towards our report for 2027-28.
34. The Commission has considered the feedback received and concluded that the draft determinations will be adopted for 2026-27. They are included in the next chapter of this report.

Chapter 4. Determinations for 2026-27

35. The following determinations will apply to all payments due to be paid in the 2026-27 financial year.
36. Members retain the right to opt out of any payment, in full or in part. That is an individual decision for members. Authorities are not permitted to make a collective decision to opt out of mandatory payments.

Determination 1/2026: Basic salary for elected members of principal councils

37. The basic salary, paid to all elected members, is remuneration for the responsibility of community representation and participation in the scrutiny, regulatory and related functions of local governance. It is based on a full-time equivalent of 3 days a week. The Commission has reviewed this time commitment, and no changes are proposed for 2026-27.
38. The Commission is fully aware of the current constraints on public funding and the impact its decisions will have on the budgets of principal councils. The Commission is also mindful of our aims and objectives to provide a fair and reasonable remuneration package to support elected members and to encourage diversity of representation.
39. The Commission has determined that for the financial year 1 April 2026 to 31 March 2027 it is right to retain the link between the basic salary of councillors and the average salaries of their constituents. The basic salary will be aligned with three fifths of the all-Wales 2024 ASHE⁴, the latest figure available at the time of writing. The basic salary will be £21,044, an increase of 6.4% on 2025-26.

Determination 2/2026: Salaries paid to senior, civic and presiding members of principal councils

40. All senior salaries include the basic salary payment. The different levels of additional responsibility of and between each role is recognised in a banded framework. No changes to banding are proposed this year.
41. The basic pay element will be uplifted in line with ASHE and the same uplift will also apply to the role element of Bands 1, 2, 3, 4 and 5, giving all roles a 6.4% increase.
42. The salary of a leader of the largest (Group A) council will therefore be £78,917. All other payments have been determined with reference to this and are set out in Tables 1 and 2 below.

44. The salary of a vice-chair is set at 50% of the Chair and will be £5,261.
45. There are no other changes in this area.

Determination 4/2026: Payments to NPA and FRA members

46. The 3 national parks in Wales; Eryri, Pembrokeshire Coast and Bannau Brycheiniog, were formed to protect spectacular landscapes and provide recreation opportunities for the public. The Environment Act 1995 led to the creation of a NPA for each park. NPAs comprise members who are either elected members nominated by the principal councils within the national park area or are members appointed by the Welsh Government through the public appointments process. Welsh Government appointed and council nominated members are treated equally in relation to remuneration.
47. The three FRAs in Wales; Mid and West Wales, North Wales and South Wales were formed as part of Local Government re-organisation in 1996. FRAs comprise elected members who are nominated by the principal councils within each fire and rescue service area.
48. In line with the Commission's decision to increase the basic salary of elected members of principal councils, the remuneration level for ordinary members of both NPAs and FRAs is also increased in line with ASHE.
49. The remuneration for chairs will remain linked to a principal council Band 3 senior salary. Their role element will increase accordingly. Deputy chairs, committee chairs and other paid senior posts will remain linked to a Band 5. Full details of the levels of remuneration for members of NPAs and FRAs is set out in Table 3.

Deputy chair (where appointed)	£7,177
Committee chair or other senior post	£7,177

50. Other than the above increases, there are no changes proposed this year.

Determination 5/2026: Co-opted members of principal councils, National Park Authorities and Fire and Rescue Authorities and lay members of Corporate Joint Committees

51. Principal councils, NPAs and FRAs must pay their co-opted members who have voting rights fees at the rates in Table 4 below.

52. All determinations in this section that relate to co-opted members will apply equally to CJC lay members with voting rights from 31 July 2024.

53. The appropriate officer within the authority must set in advance whether a meeting is programmed for a full or half day. When the meeting is set for a full day, the fee will be paid on this basis even if the meeting finishes within 4 hours.

54. The Commission has determined there should be local flexibility for the appropriate officer to decide when it will be appropriate to apply a day or a half day rate or to use an hourly rate where it is sensible to aggregate a number of short meetings.

Table 4: Fees for co-opted and lay members (with voting rights)

Determination 6/2026: Payments to community and town council (CTC) members

55. CTCs can opt to pay financial loss compensation to their members, where such loss has occurred for attending approved duties. The Commission has determined to maintain the alignment with the daily rate of ASHE as follows:

- Up to £67.45 for each period not exceeding 4 hours.
- Up to £134.90 for each period exceeding 4 hours but not exceeding 24 hours.

56. Other than this change to the financial loss compensation, no changes are made to payments to CTC members. Remuneration is due as set out in Tables 5 and 6 below.

Restrictions on senior post remuneration

66. Posts within the principal council (Determination 7 of 2022)

- An elected member must not be remunerated for more than 1 senior post within their authority.
- An elected member must not be paid a senior salary and a civic salary.
- All senior and civic salaries are paid inclusive of basic salary.
- If a council chooses to have more than 1 remunerated deputy leader, the difference between the senior salary for the deputy leader and other executive members should be

divided by the number of deputy leaders and added to the senior salary for other executive members in order to calculate the senior salary payable to each deputy leader.

Restrictions on payment for posts outside the principal council

67. Members in receipt of a Band 1 or Band 2 senior salary cannot receive a salary from any NPA or FRA to which they have been appointed.
68. They remain eligible to claim travel and subsistence expenses and contribution towards costs of care and personal assistance from the NPA or FRA. (Determination 8 of 2022)
69. Members in receipt of a Band 1 or Band 2 salary cannot receive any payment from a community or town council of which they are a member. They remain eligible to claim travel and subsistence expenses and contribution towards costs of care and personal assistance from the community or town council. Where this situation applies, it is the responsibility of the individual member to comply. (Determination 9 of 2022)

Support to elected members of principal councils

70. Each authority, through its Democratic Services Committee, must ensure that all its elected members are given as much support as is necessary to enable them to fulfil their duties effectively. All elected members should be provided with adequate telephone, email and internet facilities giving electronic access to appropriate information. (Determination 10 of 2022)
71. Such support should be without cost to the individual member. Deductions must not be made from members' salaries by the respective authority as a contribution towards the cost of support which the authority has decided necessary for the effectiveness and or efficiency of members. (Determination 11 of 2022)

Specific or additional senior salaries and assistants to the executive

72. Principal councils can apply for specific or additional senior salaries that do not fall within the current Framework (Determination 12 of 2022).
73. The Commission will decide on a case-by-case basis the appropriate senior salary, if any, for assistants to the executive (Determination 13 of 2022).
74. Guidance to local authorities on the application process was issued in April 2014.

Local Government Pension Scheme

75. The entitlement to join the Local Government Pension Scheme shall apply to all eligible elected members of principal councils (Determination 16 of 2022).

Family absence provisions for elected members of principal councils

76. In this section, "family absence" refers to maternity, newborn, adoption and parental absences from official business.
77. These different categories are defined in [The Family Absence for Members of Local Authorities \(Wales\) Regulations 2013](#). The Welsh Government has published guidance on the different kinds of absence at [Absence from local authority meetings: family absence \[HTML\] | GOV.WALES](#).
78. An elected member is entitled to retain a basic salary when taking family absence under the original regulations or any amendment to the regulations irrespective of the attendance

record immediately preceding the commencement of the family absence. (Determination 17 of 2022)

79. When a senior salary holder is eligible for family absence, they will continue to receive the salary for the duration of the absence. (Determination 18 of 2022)
80. It is a matter for the authority to decide whether to make a substitute appointment. The elected member substituting for a senior salary holder taking family absence will be eligible to be paid a senior salary if the authority so decides. (Determination 19 of 2022)
81. If the paid substitution results in the authority exceeding the maximum number of senior salaries which relates to it, as set out in the IRPW's Annual Report, an addition to the maximum will be allowed for the duration of the substitution. However, this will not apply to Merthyr Tydfil County Borough Council if it would result in the number of senior salaries exceeding fifty percent of the Council membership. Specific approval of Welsh Ministers is required in such circumstances. (Determination 20 of 2022)
82. Isle of Anglesey County Council was included in Determination 20 of 2022, but subsequent changes to the number of councillors for Isle of Anglesey County Council made its inclusion in this exception unnecessary.
83. When a council agrees a paid substitution for family absence the Commission must be informed within 14 days of the date of the decision, of the details including the particular post and the duration of the substitution (Determination 21 of 2022).
84. The council's schedule of remuneration must be amended to reflect the implication of the family absence (Determination 22 of 2022).

Sickness absence payments for senior salary holders of principal councils

85. The framework provides arrangements for long term sickness absence for senior salary holders. These arrangements are set out in the Annex to this report.

Corporate Joint Committees (CJCs)

86. The payment of contribution to costs of care and travel and subsistence for CJC related activities has applied to all members of CJCs since 2022.
87. Payments to CJC co-opted lay members are covered below under the heading Co-opted Members of Principal councils, NPA and Fire and Rescue Authorities and lay members of Corporate Joint Committees.

Payments to National Parks Authorities and Fire and Rescue Authorities

88. Members must not receive more than one NPA senior salary (Determination 27 of 2022).
89. A NPA senior salary is paid inclusive of the NPA basic salary (Determination 28 of 2022).
90. Members of a principal council in receipt of a Band 1 or Band 2 senior salary cannot receive a salary from any NPA to which they have been appointed. Where this situation applies, it is the responsibility of the individual member to comply (Determination 29 of 2022).
91. Members must not receive more than one FRA senior salary (Determination 34 of 2022).
92. An FRA senior salary is paid inclusive of the FRA basic salary and must reflect significant and sustained responsibility (Determination 35 of 2022).
93. Members of a principal council in receipt of a Band 1 or Band 2 senior salary cannot receive a salary from any FRA to which they have been nominated. Where this situation applies, it is the responsibility of the individual member to comply (Determination 36 of 2022).

Co-opted members of principal councils, National Park Authorities and Fire and Rescue Authorities and lay members of Corporate Joint Committees

94. Travelling time to and from the place of the meeting is to be included in the claims for payments made by co-opted members (up to the maximum of the daily rate). (Determination 39, 2022)
95. Fees must be paid for meetings and other activities including other committees and working groups (including task and finish groups), pre meetings with officers, training and attendance at conferences or any other formal meeting to which co-opted members are requested to attend. (Determination 41 of 2022)
96. Reasonable time for pre meeting preparation is to be included in claims made by co-opted members the extent of which can be determined by the appropriate officer in advance of the meeting (Determination 5 of 2023).
97. Each authority, through its Democratic Services Committee or other appropriate committee, must ensure that all voting co-opted members are given as much support as is necessary to enable them to fulfil their duties effectively. Such support should be without cost to the individual member (Determination 42 of 2022).
98. Co-opted and lay members of relevant authorities with voting rights are also able to claim travel, subsistence, care and personal assistance payments as set out in the sections below.

Travel and subsistence expenses

99. The rates of reimbursement of mileage, other travel costs and subsistence costs that can be claimed by members of principal councils, NPAs, FRAs, and their co-opted members, and to members of CJsCs and their lay members is set out below.
100. Community and Town Councils can opt to reimburse travel and or subsistence costs. Where the option to reimburse has been made, this must be as specified in the Travel and subsistence guidance.

Mileage costs

101. Reimbursement must be at the current HM Revenue and Customs (HMRC) rates.⁵

Other travel costs

102. All other claims for travel, including by taxi if this is the only or most appropriate method of transport, must only be reimbursed on actual cost as shown on receipts.

Subsistence costs

103. The maximum rates for subsistence payments are set out below on the basis of receipted claims:
- £28 per 24-hour period allowance for meals, including breakfast where not provided
 - £200 London overnight
 - £95 elsewhere overnight
 - £30 staying with friends and or family overnight

Costs of Care and Personal Assistance Payments

104. All relevant authorities must provide a payment towards necessary costs for the care of dependent children and adults (provided by informal or formal carers) and for personal assistance needs as follows:

- formal (registered with Care Inspectorate Wales or equivalent) care costs to be paid as evidenced
 - informal (unregistered) care costs to be paid up to a maximum rate equivalent to the Real Living Wage hourly rates as defined by the Living Wage Foundation⁶ at the time the costs are incurred
105. This must be for the additional costs incurred by members to enable them to carry out official business or approved duties. Each authority must ensure that any payments made are appropriately linked to official business or approved duty. Payment shall only be made on production of receipts from the care provider (Determination 43 of 2022).

Community and town councils

106. Reporting returns due from all community and town councils need only show the total amounts paid in respect of the mandatory payments mentioned above. That is the £156 contribution to the costs of working from home and the £52 set rate consumables allowance and the travel and subsistence expenses paid. This brings these in line with the reporting of the costs of care and personal assistance allowances. (Determination 8 of 2024)

107. Members in receipt of a Band 1 or Band 2 senior salary from a principal council (that is leader, deputy leader or executive member) cannot receive any payment from any community or town council, other than travel and subsistence expenses and contribution towards costs of care and personal assistance. (Determination 53 of 2022)

108. Community and town councils can decide to reimburse their members in respect of travel and or subsistence costs for attending approved duties. Where the option to reimburse has been made, the Travel and subsistence expenses guidance must be applied. (Determination 46 and 47 of 2022)

Annex: sickness absence payments for senior salary holders of principal councils

The Commission's framework provides arrangements for long term sickness absence for senior salary holders as follows:

- Long term sickness is defined as certified absences in excess of 4 weeks.
- The maximum length of sickness absence within these proposals is 26 weeks or until the individual's term of office ends, whichever is sooner (but if reappointed any remaining balance of the 26 weeks will be included).
- Within these parameters a senior salary holder on long term sickness can, if the authority decides, continue to receive remuneration for the post held.
- It is a decision of the authority whether to make a substitute appointment, but the substitute will be eligible to be paid the senior salary appropriate to the post.
- If the paid substitution results in the authority exceeding the maximum number of senior salaries payable for that authority, as set out in the Annual Report, an addition will be allowed for the duration of the substitution. (However, this would not apply to Merthyr Tydfil County Borough Council if it would result in more than 50% of the membership receiving a senior salary. It would also not apply in respect of a council executive member if it would result in the cabinet exceeding 10 posts, the statutory maximum).
- When an authority agrees a paid substitution, the Commission must be informed within 14 days of the decision of the details including the specific post and the estimated length of the substitution. The authorities' Schedule of Remuneration must be amended accordingly.
- It does not apply to elected members of principal councils who are not senior post holders as they continue to receive basic salary for at least 6 months irrespective of attendance and any extension beyond this timescale is a matter for the authority.
