Agenda Item	Discussion points	Action	Person/ dates
EGM26/20	Petition – Helen has arranged to hand petition to Alex Barros-Curtis MP on Saturday 20th June in morning outside Morrisons A member of the community Elieen – who lives in Cwrt Brynteg (and had an impressive CV – including chair of Arthritis wales at some point from my notes 😊) – is going to hand it over – and others encouraged to be there for the photo too		
EGM26/21	Support for RMCC writing to all appropriate local businesses/ organisations to notify of opportunity to host the Post Office This would need to be after the Post Office formally publicise this – i.e. expected very soon after the 45 day consultation period from Morrisons – ending July 13th We (Helen, Allan and I) said the RMCC had discussed this – and were happy to do so this Have considered post meeting – that we could ask the Post Office to provide more clarity on their intended timing for this – ie if		

	Morrisons formally announce closure on 14th – will this be immediately or is there some gap before Post Offices then advertise the opportunity There is a lot we can do to prepare for this and have the draft letters and useful information appended – ready to go. We can discuss as RMCC?		
EGM26/22	Put together a business case proposal for the establishment of new Post Office provision (which is the requirement for anyone wanted to apply) This to include options for either another business taking it on (linked to action 1)- or option of it being community run post office provision Peter Fortune and I are going to work together on this to then share with all for input		
EGM26/23	Explore option of unit next to Co-Op as being an option for a community run post office provision Even if this is just for the short-term period whilst a local business gets set up to run long-term Given your existing relationship with Co-Op Iona, have contacted you earlier on how we might best go about this
