13. Amount Requested	£500		
14. For amounts over £500 please attach your last audited accounts.			
15. How will the project improve the quality of life for people who live in, work, or visit Radyr & Morganstown.	It will allow the players who live within the area to continue to play football for their local team, improving their mental health and wellbeing. It will also allow us as a club to provide a pathway from 5 years old through to seniors, on top of this, more football for the local community to come and watch and get involved in – given it's the biggest spectator sport in the country it can bring great joy to the local community.		
16. What are the consequences of <i>not</i> undertaking this project?	The team will be in old tatty kits that have been handed down, they would want to be proud to put on the new kits

The current age group has 20 players – of which 16 live in Radyr and Morganstown with the remaining four in Danescourt. As this is a 2 year benefit, the current Under 16 team, will also merge into the Youth next season – the majority of these also live in the R&M area.		

20. Please explain how your project will reflect the social and cultural make-up of our community.	The whole ethos of Radyr Rangers is to provide opportunity for local people – this used to stop at the age of 16, now we can provide football through to the senior age groups. Which will only benefit the wellbeing of our children and young adults. Given the backing and support of the local community council we would hope to continue to build and forge strong relationships.
