

## **Chair and Vice Chair Announcements April 2026**

The vast majority of Chair work this month has been working with the Employment Committee, reviewing applications and holding interviews for the vacant clerk position. It is good to report we are progressing well and an update will be issued shortly

We will also be saying goodbye to our Senior Clerk Julie Thomas who takes her early retirement at the end of May. We thank Julie for her hard work and contribution to the council and the community during the time she has been with us, and we wish her well for her future plans

The annual Civic Ceremony will be held on the 3<sup>rd</sup> May, when local dignitaries will attend the service and reception. It is always good to see those who support Radyr and Morganstown come together

We are all looking forward to our annual May festival, and we thank the RMA for their fantastic work in organising the activities. We just need to hope that the weather plays its part and the sun shines down on our community

There are various meetings both the Chair and Vice Chair will be attending in the next few weeks and updates will be provided in the May announcements and Full Council meetings.

16<sup>th</sup> April – online meeting with Cardiff Council regarding a review of proposals for our village placement plan

27<sup>th</sup> April – Area Committee meeting at Cowbridge Town Hall. Hopefully there will be an update on the Council Charter as that review seems to have gone quiet

29<sup>th</sup> April – Standards and Ethics Committee meeting at the County Hall

1<sup>st</sup> July – looking further ahead is the One Voice Wales annual conference. More details of the agenda will be shared in due course

We are still in contact with the Co-op Management Team. They have plans in the pipeline to enhance the aesthetics of the village, and we will provide more details as they update us

The annual report is in the last stages of completion. The Committee Chairs need to ensure they have sent to the Clerks their annual summary for this report so it can be finalised promptly
