Good Morning Kirsty,

Thank you for bringing this to our attention.  
I will add your concerns to the next Environment Committee meeting on the 9<sup>th</sup> July 2026.  
I will let you know the outcome of this after that date. If you need anything else in the interim, please let me know.  
Thank you

Kind Regards

**Subject:** Tree survey of Radyr Woods

Dear Samantha,

I could see a few weeks ago that there was going to be a mention of a tree survey in the Full Council committee meeting. The last tree survey of Radyr Woods was done over four years ago. The Woods are well used and the weather has taken its toll. I asked if the large oak tree which is on the corner of the Woods next to my garden (No 15) and at the entrance from Woodfield Avenue could be assessed from the point of view of its impact on my property. The canopy is vast, it overshadows my garden and the roots are coming through the lawn.

I have looked at the minutes of the meeting but there is nothing to suggest that Radyr Woods was included.

Please could this be included in the next Environment and Regeneration committee meeting.

Thank you.

Kind regards,  
Kirsty [REDACTED]
