## **“Helping to Make Radyr & Morganstown a Great Place to Live!”**

*In this, our second Annual Report, senior councilors describe some of our key achievements during the year.*

### **Councillor Julia Charles, Chair, Finance Committee**

#### **Finance Committee**

*We have 3 accounts with the Unity Trust Bank – standard current account, OCR account and deposit account with healthy credit balances.*

*There have been several main objectives achieved this year:*

- To protect our finances against potential losses in the event of a bank failure: the Co-op bank has been identified as a potential institution as it holds similar culture and values as the Council. The clerks are in the process of moving funds to this account. Further accounts can be researched once the precept monies are received.*
- Our Grant strategy: a new and more user friendly grant application has been drafted and approved.*
- In conjunction with the Employment and Allowances Committee the matter of member’s allowances has also now been resolved, for previous years and for going forward.*
- Regular dialogue with the Council’s accountant is maintained to ensure our accounts are in order and to identify any concerns.*
- We continue to meet on a regular basis and preserve a sound internal control environment.*

### **Councillor Allan Cook, Chair, Environment Committee**

#### **Environment Committee.**

*The Environment Committee continues to look after the open spaces we have in Radyr.*

- We are extremely pleased with the work that David Barnes does in grass cutting, basket hanging and many other jobs that Environment throws up.*
- We are grateful to the Radyr Woods Wardens for the work that they do in looking after the woods.*
- We bought new benches for the Wardens to install in Radyr Woods. More are required.*
- We had our 5 yearly inspections of trees for which RMCC are responsible. Several were found to be affected by Ash Die Back. Two, nearest to Junction Terrace, were thought be dangerous and we have removed them. We are discussing the others with the County Council and are preparing a plan to remove the rest.*
- We have asked for quotes to complete the wall and fence in Pentywn Park.*

*contact us with any views on the issues in this report via [clerk@radyr.wales](mailto:clerk@radyr.wales)*

*visit our website at [www.radyrandmorganstowncc.org](http://www.radyrandmorganstowncc.org)*

- *We identified a problem with dog soiling in Pentwyn Park and have alerted the Dog Warden.*
- *We have agreed for a local resident to plant Cherry trees at the entrance to Dan y Bryn Woods at his expense. Otherwise, we keep a watching and clearing brief on Dan y Bryn Woods.*
- *We are deep in the development of Windsor Gardens. Several things are being considered. Benches have been replaced.*
- *A semi-circular bench is planned to go around the tree which is used to commemorate the young man drowned in the river last year. We hope that we will have his memorial bench in place for the anniversary of his death.*
- *We are seeking advice on a natural break between Windsor Road and the Park. We are also planning a series of planters along that wall, which will contain herbs, residents will be allowed to pick them - sparingly we hope.*
- *The Committee was responsible for bunting in Windsor Gardens, Station Road, and the Granny Park for the Coronation. Most of the funding came from grants from the Heritage Lottery Fund. For the Coronation the RMA had already organised a Party in the Park which was changed to Coronation Party in the Park on Sunday May 7th May. The RMA had already asked the RMCC for a grant towards this event. Both events had splendid weather and were great successes.*
- *We are leading a discussion, which includes the County Council, on the future development of Station Road and the surrounding streets.*
- *We are awaiting the final copy for new signage to go up in Radyr Woods. We strongly support the work of the litter picking group, based at the Hub/Library.*

### **Councillor David Silver, Chair, Publicity Group**

#### **Publicity Group**

- *Separate email addresses are now in place for our Clerks to improve communications.*
- *The Council's Twitter account has continued to attract new followers - 355 followers on 8 May 2024.*
- *A mobile phone for office use has been purchased and is in use. (0746328534)*
- *New laptops have been purchased for the Clerks and are in use.*
- *Equipment has been purchased to support hybrid meetings and is in use.*
- *The Council now have a new Website. After a period where there were no news posts on the site, due to the absence of a clerk, we have started posting again with 3 posts in the last month.*
- *Remaining projects will be examined during 2024/25. New pop-up banners were ordered in 2023/24 to improve our visibility at community events.*

**Councillor Huw Onllwyn Jones, Chair, Old Church Rooms (OCR)  
Management Board**

**Old Church Rooms Management Board**

- *The OCR Board has continued to meet on a regular basis.*
- *The Board is grateful for the excellent support it receives from the Assistant Clerk, Julie Hopkins. The Board is also grateful to Karl Craddock, our handyman, for the quality of his work maintaining the building - and his dedication to that task.*
- *During the past year, it has been very encouraging to see the use of the hall grow again, following the pandemic. As before, hall users are generally very happy with the hall and its facilities - and also believe it represents good value for money as far as rental costs are concerned. This view prevailed after we increased room charges by £1 per hour to take effect from April 2024.*
- *We have, unfortunately, had to turn away one significant group (a Welsh language nursery school) due to lack of accommodation. This supports the need to extend the building.*
- *To that end, architect drawings have been obtained. These set out how the building could be altered to include a lift, unisex toilets, alter the storage room into a new meeting room, create a covered walkway, improve the external areas, and provide a play area for young children - and build a new storage facility. A draft National Lottery application for £400,000 has been prepared - for discussion by the OCR Board initially. Cardiff Council has also confirmed that it has set aside funds to support the project.*
- *The OCR operates at a near cost-neutral basis (with income set against expenses, including staff time).*
- *We look forward to further developing the OCR for the benefit of the community.*

*and finally, a word from the outgoing Chairman of the Council, Councillor Tyrone Davies*

It has been a privilege to serve as Chairman of the Community Council during the year 2023-24. Firstly, I wish to thank our hardworking Clerk and Assistant Clerk who ensure our Council operates efficiently, effectively and within the rules. I also wish to pay tribute to our handyman who ensures the Old Church Rooms is kept in a very good state of repairs and as such continues to be a great asset to our community.

Secondly, I would like to thank all our Councillors for their efforts and hard work throughout the year. Elsewhere in this report you will be able to see what councillors have been up to. Whilst I do not wish to repeat what has been written elsewhere, I would like to mention the Council's commitment to young people, which we have been keen to make a priority. As such we have been particularly pleased to have supported the restoration of the Drovers' Way Play-park and the re-establishment of a Youth Club at Radyr Hub. We

have also been proactive in liaising with Cardiff County Council in supporting the establishment of facilities for Radyr Rangers at the Mound Field.

It has also been great to see the Community Council supporting regular calendared events. For example, the Community Council has financially supported and assisted with the RMA's May Festival, the Remembrance event in November, a Halloween event for young people, as well as the annual Christmas lights events and visit of Father Christmas.

## Statement of Well-being

This Well-Being Statement sets out the Council’s commitment to the principle of sustainable development to ensure that the needs of the present are met without compromising the ability of future generations to meet their own needs.

The Well-Being of Future Generations (Wales) Act 2015, ‘the Act’, defines sustainable development as the process of improving the economic, social, environmental, and cultural well-being of Wales by taking action, in accordance with the sustainable development principle, aimed at achieving the well-being goals. In this regard the Council recognises the role it has to play. Therefore, it will promote sustainable development in how it goes about meeting its duty under the Act and when working for and with the communities that make up its area.

The Act puts in place seven well-being goals. These well-being goals are indivisible from each other and explain what is meant by the well-being of Wales. The Council embraces these well-being goals and will place them at the heart of its forward planning and decision-making arrangements to improve the general quality of life (well-being) within its administrative area. The Act provides a more detailed definition for each of the seven well-being goals. However, for the purposes of this statement the seven goals are:

When applying these well-being goals to the functions, activities and services provided by the Council; the Act requires the Council to think more about the long term, to work better with people and communities and also other public bodies, to look to prevent problems and to take a more joined up approach.

The Council will go about this by making the following commitments:
