### **Letter of support: Cardiff Council and The North Cardiff Woodlands Partnership Nature Networks bid**

Dear Heritage Fund Team,

I am writing on behalf of Radyr & Morganstown Community Council in support of Cardiff Council and The North Cardiff Woodlands Partnership's bid for the Nature Networks Fund.

I understand that the project in the North Cardiff Woodlands stretches from the Garth in the West to Y Wenallt in the East. And the project is a partnership of landowners such as Cardiff Council, The Wildlife Trusts and Natural Resources Wales, who have been working together with woodland users to overcome some of the complex issues that woodlands face.

As the owners or managers of several pockets of land in the area, which is mostly wooded or has the potential to be wooded we are particularly excited by the project.

In conclusion, we are excited about the potential for the work of Cardiff Council and The North Cardiff Woodlands Partnership to expand and grow if they are successful in securing this funding. Please take this letter as our full support for their application.

Thank for your consideration,

Yours Faithfully

Councillor Allan Cook  
Chairman  
Radyr & Morganstown Community Council
